The Academy of Applied Myofunctional Sciences (AAMS) is an international non-profit NGO and membership association engaged in advancing research, standards, education, and public health initiatives in the area of Orofacial Myofunctional Therapy worldwide.

Orofacial Myofunctional Therapy has existed with various definition in many countries and for many decades. Only recently has it started to gain academic attention at the top levels of healthcare research. The AAMS leads the future of myofunctional therapy through global networking, “cross-pollination” of research and therapy methods applied to many health care areas, with the vision to bring this important field into becoming a standard of care.

Our Symposia will include:

- Sleep Disordered Breathing, Craniofacial Growth Development & Orofacial Pain
- Orthodontic Intervention, Orthognathic Surgery And Myofunctional Therapy
- Frenum Surgery
- Myofunctional Therapy And Genetics
- Myofunctional Therapy And Public Health
- Myofunctional Therapy And The Body: Facia, Posture, and Obesity

For Abstract and Symposium Submission
