

ACADEMY OF APPLIED MYOFUNCTIONAL SCIENCES THIRD CONGRESS & HIPPOCRATES GALA

The Role of Oropharyngeal Development, From Fetus to Adult: Craniofacial Structure and Posture-Rehabilitation and Reversal of Epigenetic Mutation

**With a clear emphasis on both new research and practical clinical treatment*

Thematic Sections in Separate Rooms:

- History of Craniofacial Intervention
- Sleep -Pulmonology -Neurology -Psychiatry -Dental Sleep
- Surgery -Sleep Surgery -Oral Surgery -Soft Tissue
- Dentistry -Orthodontic -Paediatric Dental -Dental Hygiene
- Psychology of Orofacial Myofunctional Disorders (OMDs)
- Early Intervention, from Pregnancy to Newborn
- Surgery
- Otolaryngology

- Posture
- Genetics/Epigenetics
- Evolution
- Chewing, Nutrition, and Diet
- Speech-Language Pathology

- Physiotherapy
- Occupational Therapy
- Lactation Consulting
- Public Health
- Research

ROMA, ITALIA

5-10 SEPTEMBER, 2018

Pontifical University of St. Thomas Aquinas
Largo Angelicum 1 00184 Rome RM, Italy

Academy of Applied Myofunctional Sciences
910 Via De La Paz, Suite 106
Pacific Palisades, CA 90272 USA

3RD AAMS Hippocrates Gala
8 September, 2018

*Nuovo Circolo degli Scacchi
Via del Corso, 518, 00186 Roma RM, Italy*

2018 CONGRESS SPEAKERS

Victor Abdullah, MD | Hong Kong-China

Incorporation of Oromyofunctional Therapy in a Surgical Protocol in Hong Kong

Nicole Archambault Besson, MS, CCC-SLP | USA

Breathing is 24/7: The SLP's Role in the Identification of Airway Function Disorders

James Beddows, TDP, CEO | USA

How Adjacent Innovation May Enable Myofunctional Therapy As A Disruptive Force in Health Care

Esther Bianchini, PhD | Brazil

- Impact of Functional Management on Neurocardiogenic Coupling-Mediated Cardiovascular Risk of Common Sleep Disturbances (with Miguel Meira e Cruz)
- Interdisciplinary Approach in Obstructive Sleep Apnea (OSA): Effects of Orthognathic Surgery Rehabilitation

Workshop: Orofacial Pain and Orofacial Myofunctional Therapy: Resources of Surface Electromyography in a Functional Approach

Eyal Botzer, DMD | Israel

Restricted Lingual Frenum-Surgery and Management

Kevin Boyd, DDS, MSc | USA

- Tongue, Skulls and Sleep: An Evolutionary Perspective on Orofacial Myofunctional Therapy
- Getting to Scale: The Need for Novel Approaches to Screening, Evaluation, and Treatment of Mouth Breathing

Timothy Bromage, PhD | USA

Functional Matrices of the Craniofacial Complex are Historically Contingent Upon People Chewing and Breathing Hard, Neither of Which They Are Very Good At: Dental Orthopedics Saving Us From Ourselves

Oliviero Bruni, MD | Italy (Satellite Symposium)

Journey to the Bruni Sleep Questionnaire: Updating Pediatric Sleep Screening Tools To Include OMDs

James Bronson, DDS, FIAO | USA

A Functional/Physiologic Approach to Sleep Disorder Breathing in Children

Steve Carstensen, DDS | USA

The Troublesome Connection Between TMJ, Other Chronic Pain, and Airway Health

Cinzia Vincenza Castronovo, PhD | Italy

Cognitive Behavioral Therapy and Myofunctional Therapy: Practical Considerations for Optimization of Treatment

Workshop: The Role of Cognitive Behavioral Therapy for Enhancing Myofunctional Therapy Results in Sleep Disordered Breathing Patient Populations (with Samantha Weaver, MS)

Franklin Susanibar Chavez, SLP | Peru (Satellite Symposium)

Yue Weng Cheu, BDS, FRACDS, MJDF, RCS | Singapore

Linguadontics – Understanding the Neurological Basis of Myofunctional Therapy

Rosalba Courtney, ND, DO, PhD | Australia

Functional Breathing Retraining for Sleep Apnea Phenotypes- Learning from Precision Medicine

Marco Antonio da Silva, PhD | Brazil

Masticatory Function: Assessment Possibilities and Connection with Temporomandibular Disorders

Renaud Xavier Dejean, DC, ICCSP | Italy

Global Orthodontics Approach: A Local Act For A Global Impact (with Emanuela Favetti)

Gianluca Depriori, PT | Italy

Workshop: Workshop on Facial Manipulation (with Lorenzo Freschi)

Paul Ehrlich, PhD | USA

Evolution and the Jaws Epidemics (with Sandra Kahn)

Michelle Emanuel, OTR/L | USA

Pharyngeal Plexus: Where Embryology, Movement and Oral Function Meet

Melania Evangelisti, MD | Italy

Lingual Frenulum Evaluation in Children With and Without Sleep Disordered Breathing

Emanuela Favetti, MD | Italy

Global Orthodontics Approach: A Local Act For A Global Impact (with Renaud Xavier)

Patrick Fellus, MD | France

From Suction Deglutton to Swallowing Deglutton Through Cortical or Subcortical Networks

Lorenzo Freschi, PT | Italy

Workshop: Workshop on Fascial Manipulation (with Gianluca Depriori)

Brigitte Fung, PT | Hong Kong-China

Mouth Breathing and Abnormal Posture in Childhood Sub-health

Maria Daniela Genovese, MD | Italy

Short Lingual Frenum and Posture Modifications in Children, Youth & Adults (with Giovanni Olivi)

Thierry Gouzland, PT OMT | France

- The Impressive Power of Chewing: From Facial Growth to Obesity
- Contribution of Orofacial Myofunctional Therapy in an Orthognathic Surgery Team

Diana Grandi, MSc, SLP | Spain

The Inclusion of Myofunctional Therapy in the OSA Care Team and Adherence to Treatment

William Hang, DDS, MSD | USA

Journey From Non-Believer to Outspoken Advocate of Myofunctional Therapy

Workshop: Effective Interdisciplinary Treatment For Airway/Breathing Disorders For Patients of All Ages (with Reza Movahed and Joy Moeller)

Miho Imamura, PhD, DDS | Japan

Functional Orthodontic Approach with Upper Jaw Expansion & MFT Helps for the Mouth Breather

Triin Jagomagi, PhD, DDS, MSc | Estonia

Interdisciplinary Approaches in the Treatment of Orofacial Myofunctional Disorders – An Othodontist View

Virginia Johnson, DO, FAAO | USA

Bone Morphology as the "Footprints of a Living Anatomy": How Motion Shapes the Oral-Pharyngeal Space

Sandra Kahn, DDS, MSD | USA

Evolution and the Jaws Epidemics (with Paul Ehrlich)

Sharon Keenan, PhD | USA

Workshop: Optimizing Health by Prioritizing Sleep; Normal Sleep, Sleep Disorders and the Wisdom to Know the Difference

Venkata Koka, MD, FRCSEd | France

Structural and Functional Changes in Pharyngeal Soft Tissues in OSA

Andres Köster, SLP | Estonia

Orofacial Myofunctional Therapy for Treatment of Voice Disorders (with Risto Vaikjärv)

Regina Leung, PT | Hong Kong-China

Breathing Re-education Program for Asthmatic Children with Dysfunctional Breathing

Lin-In Lim, DDS | South Korea

(Poster) Tongue Crib Appliance with Myofunctional Therapy for Patients with Hyperdivergent Skeletal Pattern and Open Bite

Steven Lin, MD | Australia

The Big Bang of Craniofacial Growth: Functional Nutrition & Myofunctional Therapy

Workshop: Integrating Nutritional & Myofunctional Therapy into Sleep Medicine (with Samantha Weaver, MS)

Almiro Machado Junior, DDS, PhD | Brazil

Facial Orthopedic Treatments and Myofunctional Therapy in Pediatric Patients with Obstructive Sleep Apnea: Current and Future Perspectives

Derek Mahony, BDS, MDS, MOrth | Australia

The crucial Role of Orthodontics in the Multidisciplinary Treatment of Pediatric OSAS

Irene Marchesan, PhD, SLP | Brazil

The Interference of Tongue-Tie with Speech

Roberta Martinelli, PhD, SLP | Brazil

The Neonatal Tongue Screening Test: 4 years of Federal Law in Brazil

2018 CONGRESS SPEAKERS

Patrick McKeown, MA, BBE | Ireland

- Beyond CPAP and AHI, the Restoration of Health
- Restoring Nasal and Functional Diaphragmatic Breathing in the Treatment of Sleep Apnea

Workshop: Practical Approaches to Addressing Breathing Pattern Disorders in Obstructive Sleep Apnea (with James Metz)

Miguel Meira e Cruz, MSc, DDS | Portugal

Impact of Functional Management on Neurocardiogenic Coupling-Meditated Cardiovascular Risk of Common Sleep Disturbances

Maria Mejia Guerrero, SLP | Spain

Biofeedback Intervention in Disorders of Temporomandibular Joint (TMJD)

Giuseppe Messina, MD | Italy

- The Role of the Tongue Muscles in the Stomatognathic Biomechanics: The Tongue, Mandible, Hyoid System
- Poster- Changes on Facial Muscles Strength in Children Aged 6-11 Years With Dysfunctional Swallowing

Ludovico Messineo, MD | Italy

Breath-holds and Loop Gain: A Possible Link Between Obstructive Sleep Apnea Phenotyping and Myofunctional Therapy?

James Metz, DDS, FACD, ABDSM | USA

Beyond CPAP and AHI, The Restoration of Health

Workshop: Practical Approaches to Addressing Breathing Pattern Disorders in Obstructive Sleep Apnea (with Patrick McKeown)

Joy Moeller, BS, RDH | USA

Myofunctional Therapy: An Essential Part of all Aspects of Dentistry

Workshop: Effective Interdisciplinary Treatment For Airway/Breathing Disorders For Patients of All Ages (with Reza Movahed and William Hang)

Marc Richard Moeller, BA | USA

(Symposium Moderator & Presenter) - Expanding Applications of Myofunctional Therapy In Sleep Disordered Breathing (SDB) (with Daniel Ng, Maria Pia Villa, Magda Nunes, Thanos Zavras, Candy Sparks, Jim Beddow)

Sharon Moore, BS, SLP | Australia

- Sleep Disorders and Disordered Sleep: Getting Them Onto the Professional and Public Radar
- Chew Chew Chew: Why and How
- Poster: Sleep Literacy for Parents: A paediatric 'sleep formula' and 'red flag' system

Workshop: Good Sleep by Design: A Paediatric Sleep Literacy Guide for Professionals and Parents

Reza Movahed, MD | USA

Intricacies in Surgical Management of Obstructive Sleep Apnea Patients

Workshop: Effective Interdisciplinary Treatment For Airway/Breathing Disorders For Patients of All Ages (with Joy Moeller and William Hang)

Daniel Ng, MD | Hong-Kong-China

Mouth Breathing in Children with SDB

Van-Thai Nguyen, DDS | Estonia

Changes in the Palatal Dimensions and Structural Airway in Sleep Apnea Patients

Giovanni Olivi, MD | Italy

Short Lingual Frenum and Posture Modifications in Children, Youth and Adults (with Maria Daniela Genovese)

Paola Pirelli, MD | Italy

Rapid Maxillary in the Therapy of OSAS in Children

Antonella Polimeni, MD, PhD | Italy

Moss' Theory and Myofunctional Therapy

Heriberto Rangel, MSc, SLP | Colombia

Sleep Disorders in University Students, A Look From the Speech and Language Pathology

Eliana Rivera, MSc, SLP | Colombia

Oropharyngeal Exercises More Effective in the Treatment of Obstructive Sleep Apnea. Based on Evidence

Luis Ruiz-Guzman, MD | Spain

- Myofunctional Therapy and Public Health
- Comparative Study of Diagnostic Methods of Ankyloglossia in the Infant
- Project Logopedic Evaluation of Laser Frenectomy in the Treatment of Ankyloglossia in Pediatric Age

Sabina Saccomanno, MD, DMD | Italy

Proper Chewing as Choking Prevention

Marisa Santos, DDS | Argentina

Treating Children Earlier

Fabio Scoppa, MD | Italy

- Glosso-postural Syndrome. The Relation Between Tongue Position and Postural Balance
- Poster-Tongue Posture, Swallowing and Cerebral Areas Activation: A Functional Magnetic Resonance Imaging Study

Florence Sekito, MSD, PhD | Brazil

Outcomes of the Stecco Fascial Manipulation Method in the Reduction of Orofacial Pain and Temporomandibular Disorders.

Farhan Shah, BDS, MDS, PhD | Sweden/India

Soft Palate Muscles, Nerves, and Pharyngeal Swallowing Function in Snoring and Sleep Apnea Subjects

Cris Simmons, DDS | USA

Clinical Application of An Innovative Maxillary Growth Stimulating Device

Min-Keun Song, MD | South Korea

Evaluations of Swallowing Function in Obstructive Sleep Apnea Patients

Candy Sparks, BA | USA

Class II Malocclusion and Breathing Deprivation: A Case Study from the Point of View of a Patient's Family

Visasiri Tantrakul, MD | Thailand

Sleep Disordered Breathing During Pregnancy: Current Evidence for Diagnosis and Treatment

Corinne Thery, MD | France

Oropharyngeal Development: Craniofacial Structure, Posture and Dento Facial Orthopedie

Carlos Torre, MD | USA

Nasal Obstruction From a Developmental and Evolutionary Perspective

Risto Vaikjärv, MD | Estonia

Orofacial Myofunctional Therapy for Treatment of Voice Disorders (with Andres Köster)

Sanda Valcu-Pinkerton, RDH | USA

The Impact of the Post Frenectomy Wound Healing Process on Myofunctional Therapy

Heidi Van Ravenhorst-Bell, PhD, CPT, CNG | USA

Clarity: A Wireless Orofacial Myofunctional Imaging and Pressure Appliance

Anastasia Vasileiu, DDS | Greece

When Greek Philosophy Meets Science: An Ancient Model to Proper Eating and Well-being

Maria Pia Villa, MD | Italy

Oropharyngeal Exercise: Modification of Stomatognathic System

Samantha Weaver, MS | USA

Workshop: Integrating Nutritional & Myofunctional Therapy into Sleep Medicine (with Steven Lin)

Workshop: The Role of Cognitive Behavioral Therapy for Enhancing Myofunctional Therapy Results in Sleep Disordered Breathing Patient Populations (with Cinzia Vincenza Castronovo)

Gina Weissman, DMDRN, IBCLC | Israel

A Case for Clipping, A Case for Waiting: Difficult Decisions in Clinic

Hyung Chae Yang, MD, PhD | South Korea

Esiglottis Collapse and Obstructive Sleep Apnea - Preliminary Study

Audrey Yoon, DDS, MS | USA

Role of Orthodontic Intervention and MFT in OSA: From Infant to Adult

Soroush Zaghi, MD | USA

Lingual Frenuloplasty with Myofunctional Therapy: Experience with 350 Cases Validating an Indication of Tongue-tie Release for Mouth Breathing, Sleep-disordered Breathing, and Craniofacial Pain.

Athanasios Zavas, DMD, DDS, DRMEDSC | USA

Team-based Pediatric Dental Practice to Address Dental Disparities: The Need for Myofunctional Therapy

Min Zhu, PhD, MSc | China

Obstructive Sleep Apnea and Hypopnea Syndrome in Children - View From an Orthodontist

WORKSHOPS

Wednesday-Thursday Sept 5-6 | All day workshop | \$250USD

A Call For A New Paradigm for Infant & Pediatric Intervention In Myofunctional Therapy

Faculty:

Marc Richard Moeller (Moderator): The Precision Medicine Initiative and Myofunctional Therapy

Michelle Price Emanuel: Neuroplasticity, Embryology and Movement

Gina Weissman: Lactation Consulting

Eyal Botzer: Frenulum Surgery

Roberta Martinelli: Frenulum Inspection, Infants

Irene Marchesan: Frenulum Inspection, Toddlers-Adolescents

Nicole Archambault: Change for School Based Screening

Patrick Fellus: Pediatric Orthodontic Intervention

Daniel KK Ng: Infant and Pediatric Sleep Intervention

Maria Pia Villa: Infant and Pediatric Sleep Intervention

Thursday Sept 6 | 9am-1:15pm | \$62.50USD

Integrating Nutritional & Myofunctional Therapy into Sleep Medicine

Steven Lin & Samantha Weaver

Thursday Sept 6 | 9am-12:15pm | \$62.50USD

Orofacial pain and Orofacial Myofunctional Therapy: Resources of Surface Electromyography in a Functional Approach

Esther Bianchini

Thursday Sept 6 | 9am-1:15pm | \$62.50USD

Fascial Manipulation

Gianluca Depriori & Lorenzo Freschi

Thursday Sept 6 | 9am-1:15pm | \$62.50USD

Optimizing Health by Prioritizing Sleep; Normal Sleep, Sleep Disorders and the Wisdom to Know the Difference

Sharon Keenan

Thursday Sept 6 | 2:30pm-4:30pm | \$62.50USD

Good Sleep by Design: A Pediatric Sleep Literacy Guide for Professionals and Parents

Sharon Moore

Monday Sept 10 | 9am-5:15pm | \$125.00USD

Practical Approaches to Addressing Breathing Pattern Disorders in Obstructive Sleep Apnoea

Patrick McKeown & James Metz

Monday Sept 10 | 9am-5:15pm | \$125.00USD

Effective Interdisciplinary Treatment For Airway/Breathing Disorders For Patients Of All Ages

William Hang, Reza Movahed & Joy Moeller

Monday Sept 10 | 9am-1:15pm | \$62.50USD

The Role of Cognitive Behavioral Therapy for Enhancing Myofunctional Therapy Results in Sleep Disordered Breathing Patient Populations

Cinzia V Castronovo & Samantha Weaver

Register for the workshops online at www.aamsinfo.org

CONGRESS GENERAL FEES

GENERAL REGISTRATION (Full Congress // Workshops Not Included)

• DENTISTS, ORTHODONTISTS, PHYSICIANS

\$780 USD // €645 EURO

• THERAPISTS (SLP, RDH, OT, BBE etc)

\$525 USD // €435 EURO

• STUDENTS (Identification required)

\$325 USD // €270 EURO

ONE DAY ONLY

• DENTISTS, ORTHODONTISTS, PHYSICIANS | \$350 USD // €300 EURO

• THERAPISTS (SLP, RDH, OT, BBE etc) | \$250 USD // €210 EURO

• STUDENTS (Identification required) | \$125 USD // €105 EURO

MEMBERSHIP GENERAL FEES

• Patron Membership \$1000 USD // €850 EURO

• Affiliate Membership \$500 USD // €425 EURO

• General Membership \$200 USD // €170 EURO

• Professional Membership \$200 USD // €170 EURO

• Non-Profit/Institutional Membership**

• Corporate Membership**

• Clinical Membership**

*** For the Non-Profit/Institutional, Corporate, and Clinical Membership, please contact Marc Richard Moeller at +1 310 382-7852*

• Additional Donations to the AAMS

The AAMS is an international non-profit NGO (501c3)

Donation Amount (\$ _____)

AAMS Annual Hippocrates AWARD GALA PACKAGES

• BENEFACTOR \$500 USD // €425 EURO

• CHAMPION \$250 USD // €210 EURO

• TRAILBLAZER \$125 USD // €105 EURO

Sponsorship Choices

Sponsorship Level

• Presenting Sponsor | \$10,000 USD // €8,500 EUR

• Gold Sponsor | \$7,500 USD // €6,500 EUR

• Silver Sponsor | \$5,000 USD // €4300 EUR

• Exhibiting Sponsor | \$2,000 USD // €1,700 EUR

• Friend | \$1,000 USD // €850 EUR

Other Opportunities

• Keynote Sponsor | \$7,500 USD // €6,500 EUR

• VIP/Presidents Reception Sponsor | \$4,000 USD // €3,400 EUR

• Congress Tote Bag Sponsor | \$4,000 USD // €3,400 EUR

• Scientific Posters Sponsor | \$3,000 USD // €2,500 EUR

Other sponsorship opportunities will be available as we get closer to the congress.

For more details, please contact Marc Richard Moeller, AAMS Executive Director at marc@aamsinfo.org or +1 310-382-7852
