Collaboration cures indeed; yet collaboration will cure if you have allied health professionals who have the tools, the science, and the treatments available to tackle some of the world's most debilitating diseases that we know, such as sleep disordered breathing and its antecedents. These winners below have accomplished extraordinary feats along these lines, producing science and pioneering clinical models that challenge their professional orthodoxies, and, furthermore, show great promise for changing medicine as we know it. Join us as we close out the Collaboration Cures Summit at the 4th Hippocrates Gala, with extraordinary celebration, to be held in one of the funnest music venues in the world, as we rock on to change medicine around the globe.
